Foundation Forward

Shanta Schriever, Κ - Nebraska

I want to shout out a "Good Job Doing Good!" to the 15 alumnae who volunteered a total of 132 hours of Service for Sight this past fall. As you know, we challenge *all* local alumnae to volunteer two hours of Service for Sight every year. I will be naming our Do Good-ers at upcoming meetings and in our e-newsletter, and will draw one lucky DG volunteer at our spring potluck who will win a prize. So, feel motivated, volunteer and spread the joy of Delta Gamma and Doing Good!

This summer, we will once again host a garage sale to fundraise for local Service for Sight groups and the Delta Gamma Foundation. Please save your furniture, big items, toys and baby clothes (no adult clothes, please); drop off location and dates to come in our e-newsletter!

Panhellenic Port

Fall recruitment was a great success. Delta Gamma made quota at both Oregon (49) and Oregon State (41). Willamette will hold recruitment in January.

Portland Alumnae Panhellenic scholarship fundraiser tickets are available through the end of January to win a week in a Sunriver condo. Tickets are 1 for $20 or 3 for $50.

We are collecting new toiletry and cosmetic items for Rosemont School students. Please contact me for raffle tickets or Rosemont donations.
